High-Level Advisory Board Structure

Lerato Mosella

Chairperson: Advisory Board

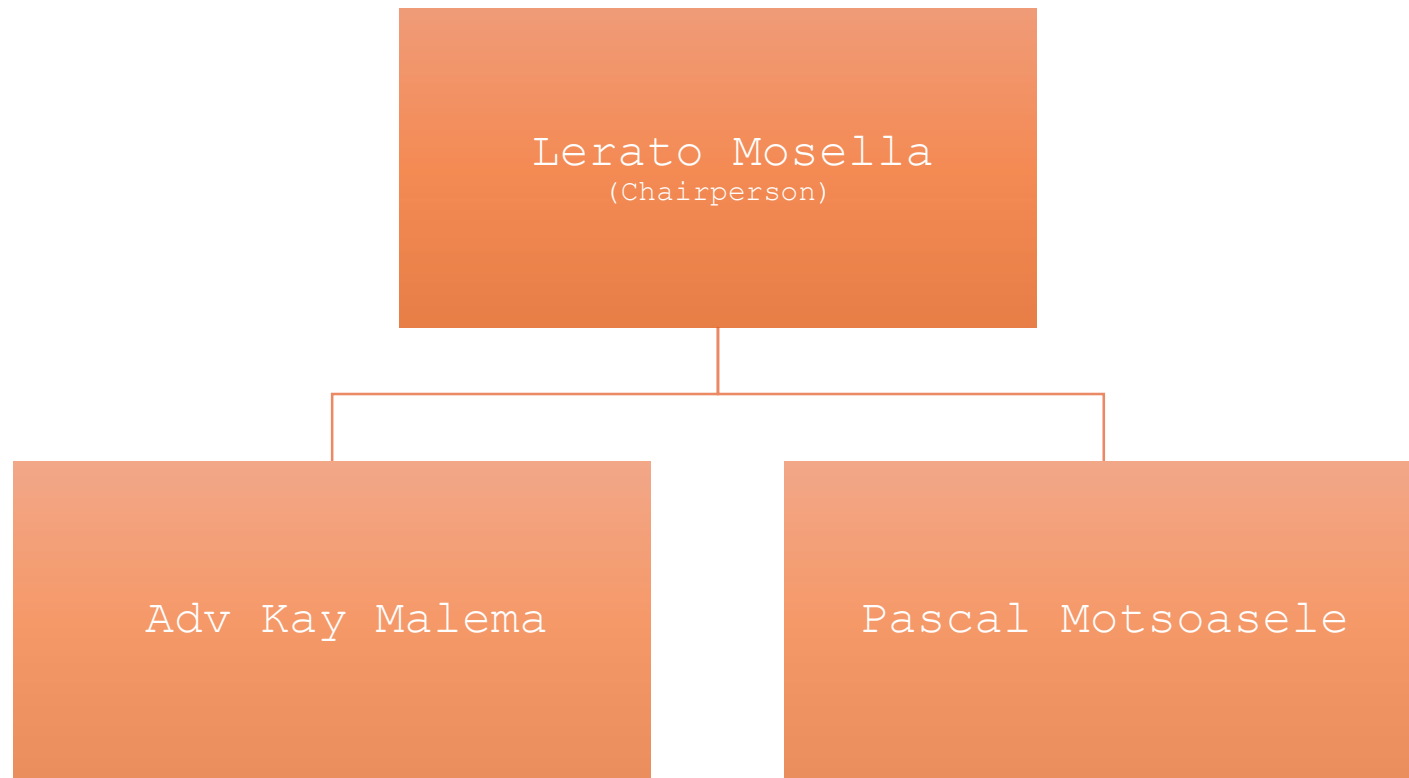

Lerato Mosella serves as the Chairperson of Thuso Inc.'s Advisory Board. She is a Certified Professional Director (PD SA) and member of the Director's Association, bringing over two decades of experience across public and private sectors, with expertise in administration, customer services, GIS, data governance & compliance, business process management, and board-level reporting. Her leadership spans project management, auditing, data science, and performance management frameworks aligned to strategic delivery. She leads stakeholder engagement and high-performance governance teams that drive ethical oversight and regulatory resilience. Lerato has served as City Power's Secretariat at the AMEU Conference and advised IEC: SEG1 Workgroup 7, positioning Johannesburg as a Smart City benchmark. She contributed to the Combined Assurance Model and authored governance policies aligned with ISO 8000, POPIA, DAMA-DMBOK, King IV, and ISO 31000. Lerato also lends her

Governance, Risk, Social & Ethics Committee Purpose

The Governance, Risk, Social & Ethics (GRS&E) Committee exists to uphold ethical leadership, ensure integrated risk oversight, and embed responsible governance across the organization's operations and stakeholder engagements.

GRS&E Committee Structure

Pascal Motsoasele

Chairperson: GRS&E Committee

Pascal Motsoasele is the Chairperson of the GRS&E Committee, registered Professional Engineer (PrEng) and Certified Professional Director (SA) with over 23 years of experience in electric and water utilities. He is the Immediate Past President of the South African Institute of Electrical Engineers (SAIEE) and currently serves as Consultant Automation Engineer at Rand Water's Strategic Asset Management division. Pascal chairs the Governance Committee of the Federation of African Engineering Organisations (FAEO) and represents Africa on the Commonwealth Engineering Council (CEC). He serves on the EXCO of SACAC, Unisa's CoSET Industry Advisory Board, and several ISO, IEC, and SABS technical committees. He is also an external examiner at the University of Johannesburg. His academic background includes a BSc in Electrical

Lufuno Ndouvhada

Member: GRS&E Committee

Lufuno Ndouvhada is a Certified Director (PD SA), attorney, notary public, and construction and engineering law specialist with extensive experience in dispute resolution, corporate governance, and strategic legal advisory. As Director of Ndouvhada Attorneys, she leads high-performing legal teams, drives operational excellence, and delivers strategic solutions that reduce litigation risk and strengthen organizational compliance. Her expertise spans contract drafting, litigation, arbitration, regulatory alignment, and the development of governance structures, policies, and operational frameworks. Lufuno has advised executive teams on corporate governance, mergers and acquisitions, risk management, and compliance best practices across diverse sectors. She has represented clients in civil, criminal, and commercial matters, achieving favorable outcomes through persuasive legal strategy and negotiation. She holds advanced qualifications in construction and engineering law, arbitration, company law, and trial advocacy. Lufuno is affiliated with the

Zanele Khumalo

Member: FBD&M Committee

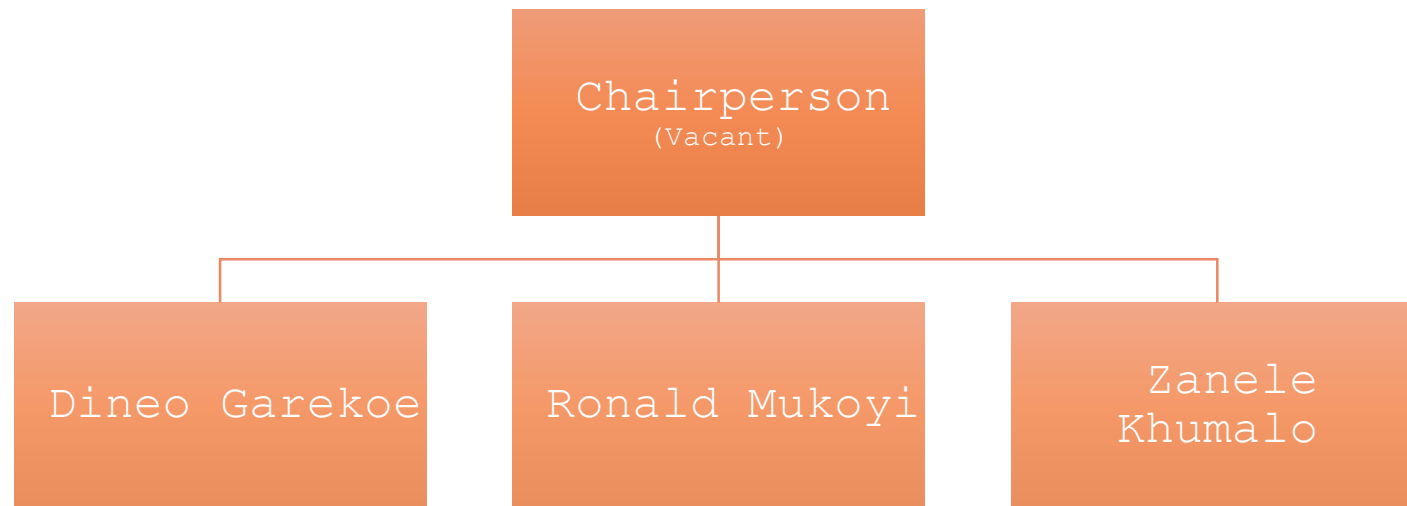

Zanele Khumalo is a seasoned public sector executive and Certified Professional Director (SA) and Certified Chair, with over two decades of leadership experience in government operations, labour relations, and customer service. She holds a Master of Business Leadership and has led strategic initiatives across eThekweni Municipality, Transnet Freight Rail, and the Department of Labour. Her expertise spans governance implementation, stakeholder engagement, financial oversight, and ethical leadership. Zanele has chaired formal committees, led national inspections, and driven service delivery innovation across 32 municipal centres. She is board-ready, with deep knowledge of King IV principles, labour law, and compliance frameworks. Recognised for her ability to align operational performance with strategic goals, Zanele champions

Finance, Business Development & Marketing Committee Purpose

The Finance, Business Development & Marketing Committee (FBD&M) exists to safeguard financial stewardship and integrity, enable commercial innovation and strategic growth, and ensure ethical market positioning and expansion.

FBD&M Committee Structure

Khopotso Lerotholi-Lekomola

Chairperson: FBD&M Committee

Khopotso Lerotholi-Lekomola is a seasoned business strategist with extensive experience in banking, finance, and organizational transformation. Most recently serving as Business Manager in the Chief Executive Office at Standard Lesotho Bank, she contributed to new product and service implementation for Small, Medium & Micro Enterprises, Personal & Private Banking, and Corporate & Investment Banking. Her portfolio includes leading Continuous Improvement assessments, Change Management initiatives, procurement functions integrated with finance, and operations administration with a focus on expenditure monitoring and business transformation. Earlier in her career, she worked as a Management Accountant at the National Drug Service Organization (NDSO) in Lesotho, gaining valuable expertise in inventory management. She holds an MBA, a Bachelor of Commerce, Six Sigma Greenbelt, SAFe Agile Certification, and a certificate in Fundamentals of Investment Management. Known for analytical acumen, leadership, and client-centric delivery, Khopotso brings proven capability in governance, finance, and agile operations. Her career reflects a commitment to driving strategic outcomes while fostering innovation and organizational excellence.

Dineo Garekoe

Member: FBD&M Committee

Dineo Garekoe is an admitted attorney and conveyancer, and a director at Garekoe and Twala Attorneys. She holds a BA (Law) degree, an LLB degree, and a certificate in Corporate Governance. She is also a qualified director, having completed a governance and directorship programme through the Directors Association. Her core expertise lies in property and governance law, complemented by extensive experience in legal strategy, risk management, and compliance. She has advised a range of businesses on structuring, regulatory matters, and sustainable growth. She is passionate about advancing strong governance frameworks and supporting organisations in achieving sustainable and ethical growth. Dineo serves on the advisory board of Thuso Inc, where she contributes her

Ronald Mukoyi

Member: FBD&M Committee

Ronald Mukoyi is a Chartered Accountant (SA) with over 17 years of experience across mining, manufacturing, healthcare, technology, FMCG, energy, and financial services. He has held senior roles at Ernst & Young, Ngubane & Co., SAPRO, and SNG Grant Thornton, and currently serves as Director at Givron Accounting & Professional Services, Prompt Edify Africa, and Dynamo Farming. His expertise spans external audit, advisory, CFO support, financial reporting (IFRS, GRAP, US GAAP), taxation, supply chain, and business consulting. Ronald has led multidisciplinary teams, delivered complex client engagements, and driven strategic initiatives across both public and private sectors. A results-oriented leader, he combines strong analytical and communication skills with a
